

Trademark Lawyer Surrey

Trademark Lawyer Surrey - Your company's visible identity is established with a trade-mark. A trade-mark helps distinguish your firm's products and services from the services and products of your competitors. The reputation of your business is maintained and built on its brand, its foundation. Our company understands that a company's trade-mark is amongst its most-valuable assets. From advertising to product development to package design, a substantial amount of resources are utilized in protecting and developing a company's brand.

We provide all assistance connected to trade-marks. We conduct searches to ensure that a trade-mark is accessible for use and registrable. We file and prosecute trade-mark applications. And we actively implement trade-mark rights against infringement. Our office can even help with global trade-mark applications through our established international network of trade-mark agents.

We provide trade-mark validity and infringement opinions, and trade-mark availability searches and registrability searches. We provide trade-mark registrations, consisting of the prosecution and preparation of trade-mark applications. We also oversee foreign trade-mark applications.

A trade-mark opposition includes the cancellation proceedings of registrations, for non-use or different reasons and opposing the registration of confusing trade-marks by different entities. When infringement leads to litigation, our trade-mark litigators will represent our clients during infringement and domain name disputes.
